

# i3TOUCH PREMIUM 65"

## P6505 T10

### Cristal clear images | Premium design & sound | Intuitive touch management

The i3TOUCH Premium 05 serie displays offer an exciting alternative to traditional interactive board solutions, with improved design and sound system. They come in 4K resolution for crystal clear images and are manageable at the touch of your finger or pen. Browsing the internet was never so easy with the integrated web browser and pictures, movies and audio files can be opened in a few seconds. This allows the i3TOUCH Premium 05 displays to be used as a stand-alone unit, providing you with all the abilities to browse the web, play music or audio files, watch movies or flick trough pictures without the need for an additional computer.
